

### Remarks

In reviewing the application file following receipt of a Notice of Allowance, a minor error was noted in claims 1 and 9. In the case of claim 1, the preposition "for" should replace --as-- at line 36. This is consistent with the use of the preposition "for" in corresponding recitals in other claims. In the case of claim 9, the adjective "speed" should replace --second--.

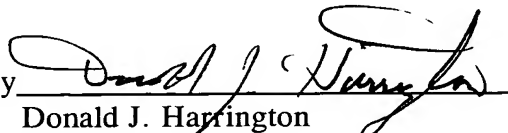

The change to claim 9 makes the first paragraph of claim 9 consistent with claims 5, 6, 7 and 8, where the corresponding recitation uses the term "speed sensor" at line 4 of each of claims 6, 7 and 8.

Both of these changes are typographical in nature. They occurred during transcription from a handwritten version of the claims to a word processor printed version. The meaning of the claims is not affected.

Entry of this Amendment Under 37 C.F.R. § 1.312 is respectfully requested.

Respectfully submitted,
